FOREWORD

MODERN is the theme of our annual . . . the tangible expression of intangible experiences. Long after our time within these walls is spent, we shall warmly recall the wealth of memories we have shared. Our paths shall part as we each endeavor to grasp a handful of stars, or to meet an unfulfilled destiny. Yet throughout the years, we shall retain the bond that encircles those who have laughed, learned, grown, and shared these experiences.

The drums beat loudly,
the music will start,
As we each endeavor
To fulfill our part . . .

CAFETERIA WORKERS AND CUSTODIANS

Each day the student body comes in contact with the custodians and cafeteria staff in some way. These friendly, congenial people work hard in many ways to benefit Camelback. The custodians do their best to keep our classrooms bright, clean, and fresh, and our campus neat, clean, and attractive. Many students can also testify to the helpfulness of these men when the occasion arises. The cafeteria staff is on view every day as they serve lunch to the students. All expert in their field, they do their best to provide tasty lunches that appeal to the appetites of the students and satisfy all their nutritional needs.

Senior class officers were working very hard when caught by the photographer. They are, seated, Karen Kraemer, secretary; standing, Jay Murphy, vice-president; Don Egeland, treasurer; Bob Wilson, president.

The seniors began their year of activities with the sale of class pins. This was a wonderful chance for many students to add another pin to their collections. It seems to be fashionable for students to identify themselves with the class they graduate.

Then came Rodeo Day, when most of the gals jumped at the opportunity to wear western pants to school. The day was climaxed by the dance in the gym, where everyone dressed western.

And of course then came the graduation activities. The activity day was the highlight of the year for seniors. Then there was the Farewell Assembly, where the seniors gave their formal farewell to the school.

With the combination of these activities we end a great year for the class of '59.

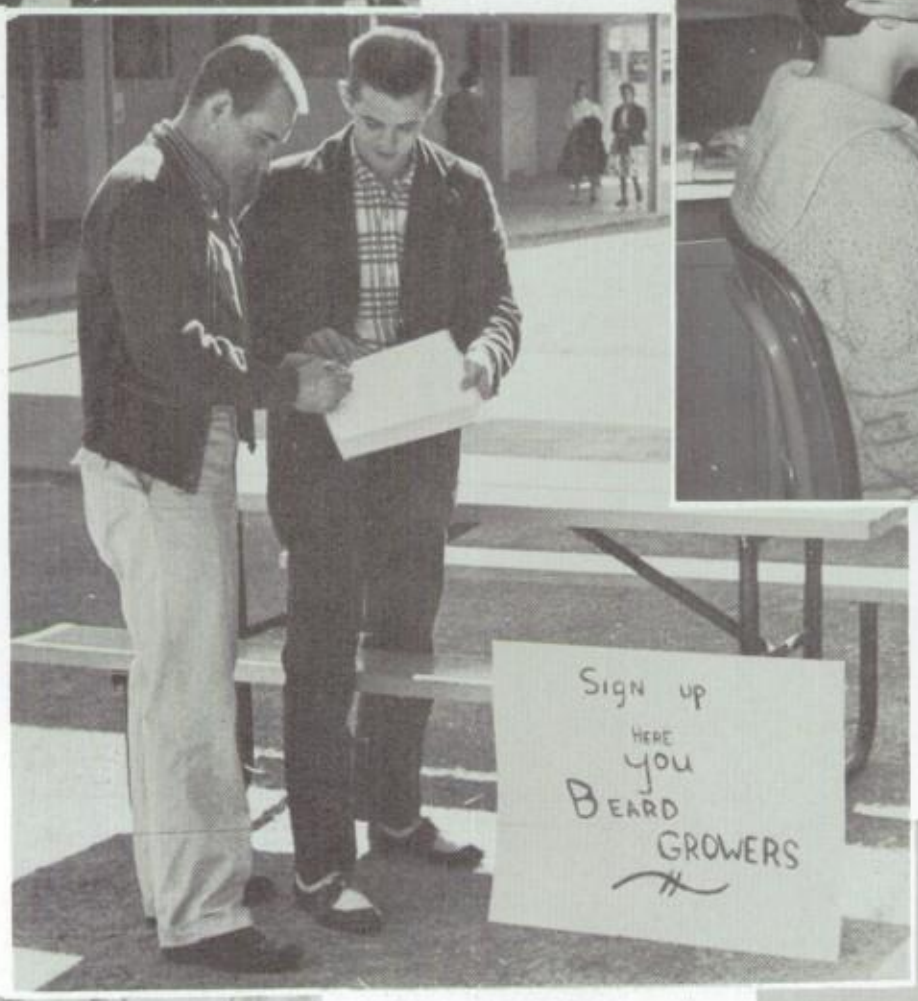
AUTOGRAPHS

Only a few of the many senior activities are pictured on page. Shown on the left are members of the Senior Council selling class pins during lunch hour. Below, a s girl is shown being measured for her graduation cap.



OHHH . . . Yes, once again the seniors sponsored the beard growing contest for Rodeo Week.

Posing for the photographer, Rod Hannaman shows off his beard.

Several seniors give measurements for graduation gowns.

Always a smile! That seemed to be the slogan of this year's junior class officers. Leading the class this year are, standing, Sue Finley, secretary; Rusty Carney, vice-president; Mike Emmett, president; seated, Pat Miller, treasurer.

CLASS OF '60

The juniors completed a long list of activities to uphold the standards set by last year's junior class. To start this year of activities, the junior class sponsored a sports dance after the Phoenix Union football game. It was cleverly called the "Football Fling." It was held just about the same time as the class rings were sold. The junior class received a percentage on each ring sold. These activities helped increase the funds for the prom, but the class still had a long way to go.

During the dawning days of December, the class sold tickets for the opening night of the first play for this year, "The Man Who Came to Dinner." The Christmas candy sale was going on at almost the same time. All over the campus could be heard the cries of frantic juniors desperately trying to sell candy. And just two weeks after the Christmas vacation the class sponsored another dance, this one dubbed the "Telephone Trot." It was given its name due to the fact that the basketball team was playing at Flagstaff and at the end of each quarter the score was telephoned down to the dance. Then just to make sure February was a well balanced month the juniors sold tickets to the Y.E.S. Talent Show. After this the junior class devoted its time to preparations for the prom, which was held at Ramada Inn.

Junior class council members are, **Front Row:** George Kapp, Myrna Snyder, Sue Finley, Sherry Harper, Carol Barens, Bonnie Bowen, Sherry Nelson, Lynn Reed, Linda Brodersen, Betty White. **Back Row:** Mr. Osman, sponsor, Rusty Carney, Nick Alsever, Rolf Arndt, Dick Smith, Jim Miller, John Sammetinger, Everett Bateman.

PROM COMMITTEE

Work, work, work! Snowed under with work was the Prom Committee. This committee was composed of members of the junior class with special talents and a will to work. The committee held most of its meetings jointly with the class council in order to insure the seniors of a good prom. Although the main purpose of the committee was to plan the prom and make the decorations, it also helped the class council with its activities. The committee decided on the prom site, the refreshments to be served, and the band. It was certainly a year of hard work, but it was well worth it.

Planning posters for one of the dances sponsored by the Junior Class are Nick Alsever, Bill Cross, Pat Poplawski, Dick Smith, Rolf Arndt.

Sophomore class officers are Jerry Price, treasurer; Bonnie Johnson, vice-president; Bob Dorn, president. Not pictured is Laraine Romano, secretary.

CLASS OF '61

Under the able guidance of Mrs. Dover and Mr. Bryan, the sophomores started off a successful year of activities by sponsoring the "Sporty Forty" dance, after the Mesa-Camelback football game. Next on their agenda was a very successful popcorn sale, which took place on January 8th. Their funds were increased once again on the 30th of that month, via the sale of leis at the Beachcombers' Dance. Our sophomores directed the rest of their energies toward the selling of tickets to "Charlie's Aunt," another extremely successful project. Topping that off was a cookie sale.

Sophomore class council members are, **Front Row:** Jerry Price, Bonnie Johnson, Bob Dorn. **Middle Row:** Donna Ihrman, Sandy Simpson, Dennis Kohl, Dea Etta Strickland, Carol Hanagan, Kitty Lauri, Pat Porter, Melinda Henrichs. **Back Row:** Frances Galioto, Larry Alexander, Jan Crozier, Patsy Riggs, Steve Morgan, Paul Phillips, Jim Elmore, Harvey Faber.

George—
Had a good
time on the bus
(Field trip) and in
Spanish. Have a
good time this summer
but don't get carried away
Hope I see you next
year Rick Zeller

Freshmen class officers are, standing, Judy Wagner, treasurer, Mary Wise, vice-president, Margaret Hershey, secretary; seated is Dick Anderman, president.

CLASS OF '62

The freshman class started its year of activities by sponsoring the Thanksgiving dance, cleverly dubbed the "Turkey Trot." The dance was quite successful, in view of the fact that many students left town for the long weekend. This dance was followed by an equally successful peanut sale in February. Not that Camelback has seen any elephants on campus, but it was discovered that humans, too, enjoy munching on peanuts. This fact was fully realized when the American Field Service increased its funds by $55. The freshmen completed their year of work by sponsoring the last dance of the year, which was another successful event.

Freshmen class council members are, **Front Row:** Judy Omen, Durinda Lofstedt, Carole Neely, Nickie Poarch, Bonnie Poplawski, Judy Wagner. **Middle Row:** Dick Anderman, Sally Fitchet, Charlene Graham, Linda Bazzill, Diane Bowlby, Barbara Alpert, Cherilyn Brown, Jay Pease, Kathy Willey, Mrs. Kangieser, sponsor. **Back Row:** Mr. Clark, sponsor, Mike Rockwell, Pete Banko, Marvin Skousen, Eugene Hancock, Mary Wise, Margaret Hershey, Lana Ness, Diane Kraemer, Jackie Kent, Susie Lane, Sandy Lane.

ACADEMICS

A SPARTAN SALUTE

Camelback's valedictorians this year are Martha Brodersen, Mark Horlings, and Peter Rose. The salutatorian is Teddy Muzzy. These four students claim the highest scholastic averages in the Class of 1959. They not only are "brains" but also join in many activities at Camelback. All four are members of National Honor Society.

Martha has been active in Parnassus and Girls' League and has served on the class council.

PETER ROSE

MARTHA BRODERSEN

TEDDY MUZZY

MARK HORLINGS

Since Mark has been at Camelback, he has participated in sports, excelling in basketball, football, and tennis. Mark is a member of the Kings Club.

Peter Rose is well known to the student body as the editor of the "Spartan Blade."

Teddy's activities have been numerous throughout her high school career. She was a class officer for two years and has served on the class council. She was a representative to Girls State. This year Teddy was fortunate in having the foreign exchange student as a "star-boarder."

To become a validictorian or the salutatorian has taken four years of hard work and, no doubt, many sacrifices. These students deserve much credit and recognition for attaining these high honors.

Every student is acquainted with the Camelback library, which boasts a wide selection of books, whether they be reference or fiction. Magazines, booklets, and pamphlets are all in abundance. Mrs. White, the librarian, is always available for consultation and information. Helping the professional library staff, many students have the opportunity to learn library techniques. The library provides other departments with a place where students can display projects.

Mrs. Hensler checks out a book for a student.

THE SPARTAN LIBRARY

Marcia Kramer is instructed by Mr. Waite in finding English reference materials.

Cynthia Ball selects materials from the vocational reference files.

Phyllis Taylor works on a travel poster . . .

. . . and Sharon Ziede cuts tile for a mosaic table.

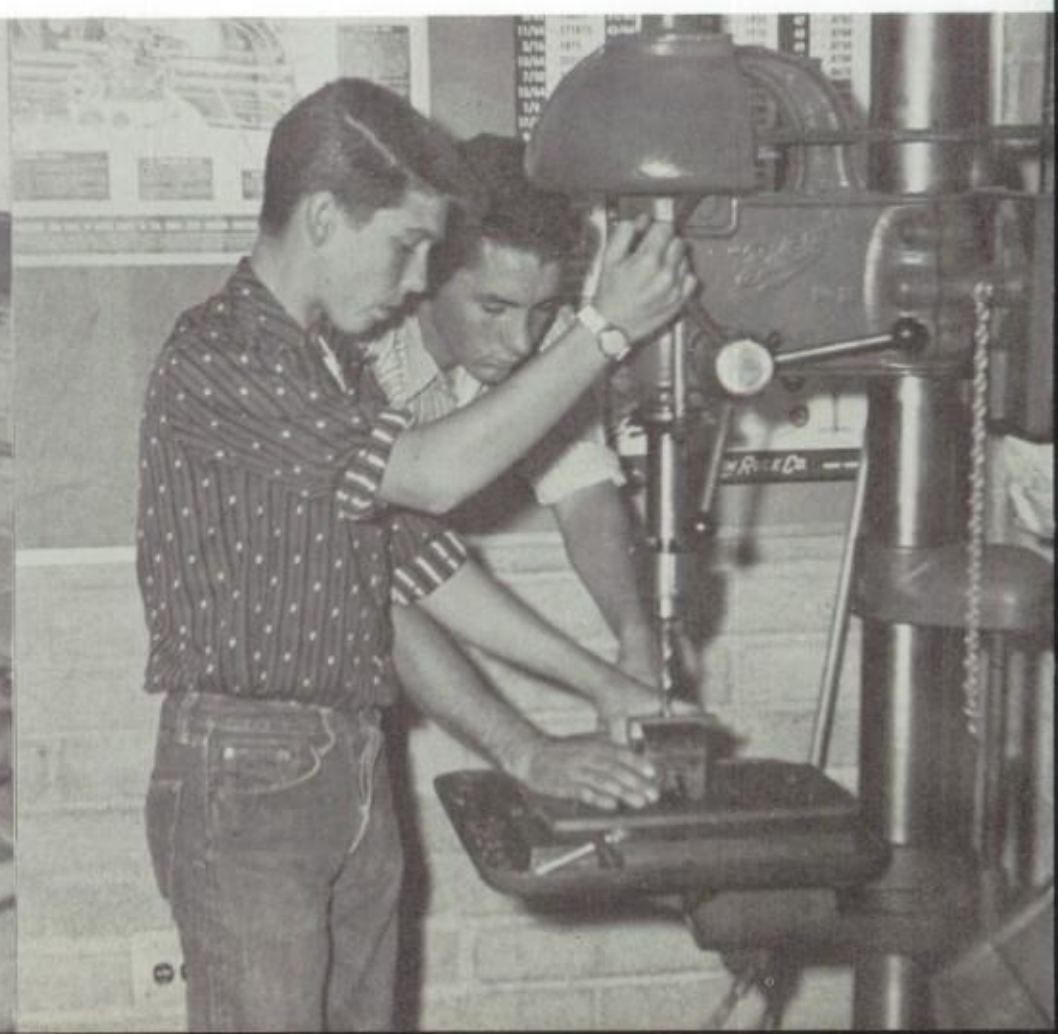
FINE ARTS AND INDUSTRIAL ARTS

The Art Department provides interested students with an outlet for creative ability. Classes in commercial, advanced, and beginning art are taught, as well as classes in ceramics, leather work, and other crafts. During the year, students' work is displayed in various places around the campus. This year our students received forty-five top awards in the Scholastic Art Awards competition.

The Industrial Arts Department provides students with work in vocational trades according to ther interests. In this way, the students are able to decide if they want to enter these vocational fields someday. This year the Camelback Industrial Arts Department displayed many projects in the Industrial Arts Exhibition at the Arizona State Fairgrounds.

Mr. Koeppen supervises Jim Arnold . . .

. . . while Danny Parker and Jerry Green operate a power drill.



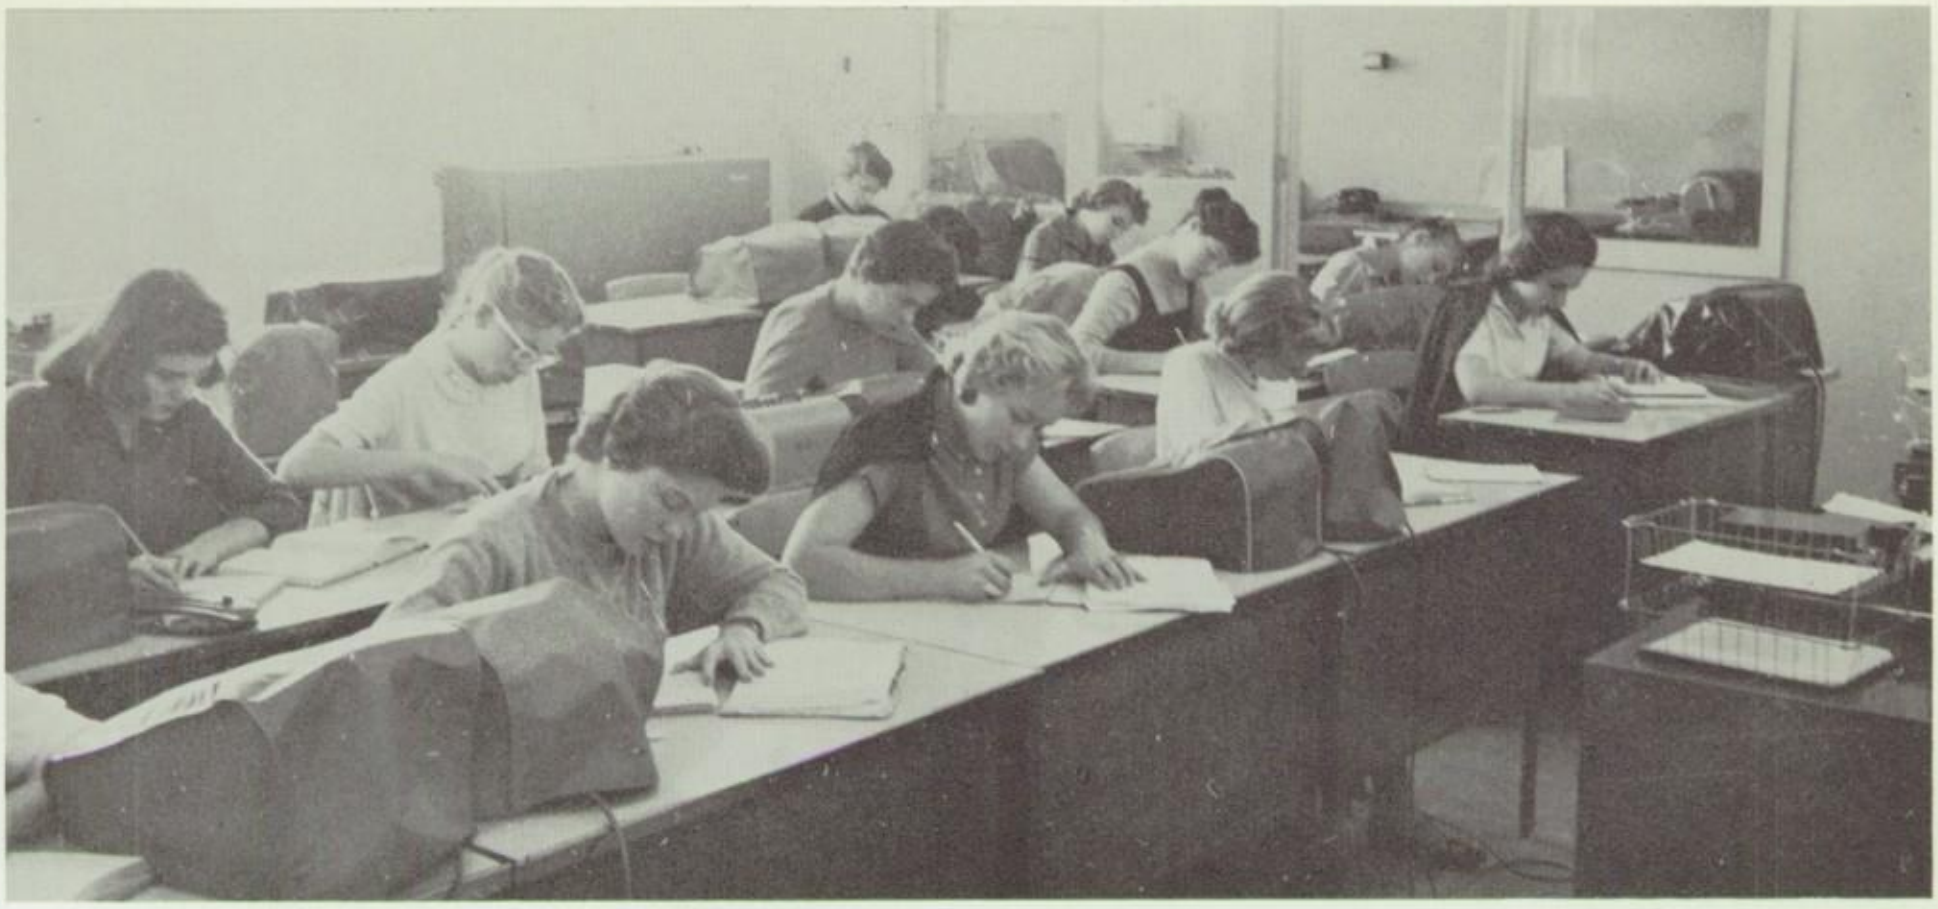
DRIVER TRAINING

Driver training is a six-week, non-credit course that is designed to teach students the fundamentals of good driving. While taking this course, the students are placed in groups of three along with an instructor, and they receive valuable behind-the-wheel training for all phases of driving, including diagonal and parallel parking. All students learn to drive cars with automatic and standard transmissions.

WEE LITTLE PEOPLE AT CAMELBACK

During the first half of the school year, we have wee little people come and help us with the course of child guidance. The girls show the children many interesting things to play with and give them educational training.

The children attend our school with us from 8:30 to 12:30. For a small fee they are fed as well as being entertained. Both the girls in the class and the "students" enjoy and benefit from the play school.



BUSINESS EDUCATION

Business courses are offered to prepare students for careers in that area. In these classes, they receive both knowledge and practical experience in bookkeeping, business machines, typing, shorthand, office procedure and other skills needed for participation in the business world. Even those students who are not planning specifically for a business career find typing and shorthand extremely useful in college.

How cool can a cat get!

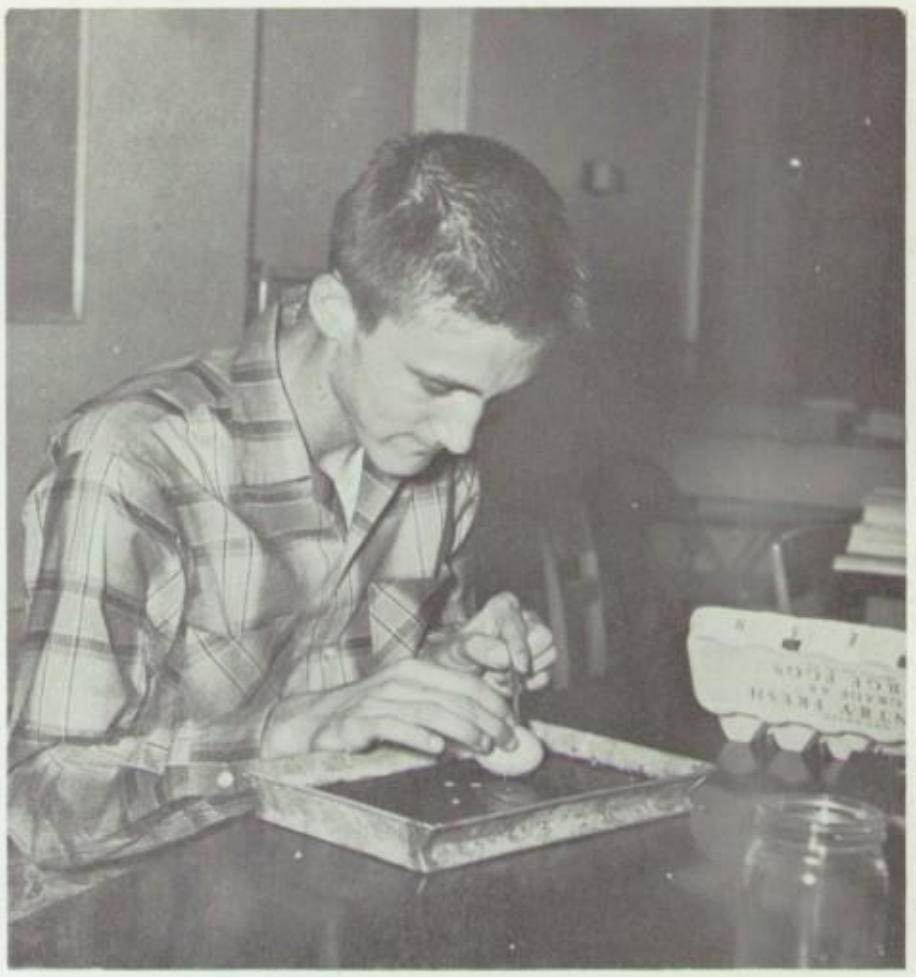
The purpose of the Advanced Biology Study Group is to maintain a high interest in science, especially in the field of biology. In this course, the students are given an insight into such fields as medicine and related subjects. The work covers many phases of biology not presented in the high school course. Laboratory facilities, dissection instruments, and instruction in laboratory techniques are made available to the students. Such things as embryology and radiation are included in the program as well as guest speakers lecturing. One of the high-lights is the dissection of a cat.

BIOLOGY AT

Rose Marie Ingraham and Carole Finch prepare for an incision . . .

. . . while Gayle Gerrard and Dick Cawley are hard at work.

Students interested in individual biology study are given opportunity to work on their own projects. They make the decision as to what they want to experiment with, and at completion of their project they evaluate and record all observations made. This gives them an opportunity to develop their interests and acquire additional knowledge of biology on their own initiative.



Tom Boyer experiments with egg embryo.

Don Egeland, a senior at Camelback, spent last summer in Bremen, Germany, on the A.F.S. program. He stayed with Mr. and Mrs. Victor Foelsche who are seated at the left in the picture. Standing are Lore Foelsche, Don, Hildegarde Foelsche, Hermann Foelsche and his fiancee who is standing behind her father, and Otmar Foelsche. On his way over, Don spent some time in France, England, the Netherlands, Austria and Canada. During his visit, he and his brother spent some time in southern Germany and two weeks on the island of Spiekeroog, in the North Sea. Don plans to revisit his "family" next summer for a few weeks.

FOREIGN EXCHANGE STUDENTS

Nan Karin Halvorsen, this year's exchange student, comes from Oslo, Norway. She lives in a four room apartment with her parents, Mr. and Mrs. Erling Halvorsen, and her two sisters Sissel and Eva, the baby. She arrived in Phoenix in August and is living with the Muzzys, until she leaves in June. When she returns to Oslo, Nan will have two more years of high school, for she gets no credits for her senior year at Camelback. When she finishes her five years of high school, she plans to study at the University, in Oslo. She will be looking forward to a visit from her American "sister," Teddy Muzzy, in 1960.

Maria Carpenter, an active Camelback junior, sailed to Greece on the Queen Fredrika the summer after her freshman year. She made the trip with her grandmother and spent the year in Athens with her uncle and his family. There she attended a small school with the children of American servicemen stationed there. Maria, more often called "Sunshine", learned Greek quickly and soon she spoke it as well as the natives.

During the spring vacation and after school was out in June, she and several of her classmates traveled to nearby islands. In the middle of the summer she and her grandmother sailed back to this country, with many memories to share with their friends.

TRAVELED SPARTANS

Marian and John Jeavons left New York with their mother in June, 1957, and sailed for Holland. This was the first stop on a year-long trip throughout Europe. From Holland they went to Austria, where they stayed for awhile. Then they went on to Italy where they saw Rome, Florence, Venice, and Naples. Because they had enjoyed Austria so much, they decided to return by way of Switzerland. While in Austria, John and Marian started school but decided they would rather travel. They left Austria and went to the Riviera where they spent three weeks; from there they went to Barcelona, Spain and to the Balearic Islands. When they left, they went to Paris and on to Heidelberg, Germany, where they celebrated Christmas. They went from there to Belgium, took a boat to Dover, and went to London. After six weeks in London, they sailed again for New York, and home.

At the Welcome Party, September 16, Karla Cornelison, Frances Galioto, and Lynn Reed served punch to Camelback girls.

The Girls' League at Camelback High is the biggest and most active club on campus. It started off the year by giving a welcome party for all new students. All fall, preparations were being made for the Carnation Ball November 22. The theme this year was "Snow and Ice" and the gym was decorated with ice blue and white with glittering snow flakes everywhere.

In December, the Faculty Tea was held in the drama patio; in March the Girls' League presented a fashion show. April, their money making month, was highlighted by many sales, drives, and campaigns. There was competition among the four councils to raise the most money and the winner was given a party.

The Chess Club meets once a week. Following a short business meeting, the club plays chess, competition being based on a point system. The Chess Club does not try to make all the members master chess players, but it does try to provide all interested students with the opportunity to learn the game, to participate with other students of their own ability, and to improve their game. As the club gains in membership, it will participate in tournament-type chess with other schools.

DEBATE CLUB

Debating combines the opportunity to develop skill in speaking, research, and repartee with the excitement of a contest. There are several tournaments between the valley schools and a state tournament. The question for debate this year is, Resolved: That the British educational system is preferable to that of the United States. The only requirement for membership is the willingness to work and follow the suggestions of the coach.

On December 10 in the drama room, they held their formal installation of all the girls. For Christmas they adopted a family and gave them food, clothing, and all the trimmings. On January 14, they had another joint meeting with the Confederates. To wind up the Spar-teens activities they had the "Share the Fare" drive on April 17. One of the year's big projects was sponsoring the Aristocrats Jazz Concert, April 2-3, which followed opening night of "Our Town", which the Kings also sponsored. A sight conservation program, gym night, and baseball support program were additional projects which helped make the Kings one of the campus's most active service clubs.

Complications arose and the entire household was thrown into chaos, most hilariously!

"Our Town" was presented February 11-14 by the Patio Playhouse. The play was about the people of Grovers Corners, N.H., and their daily lives of happiness, sorrow, marriage, and death. In Act I, we go through the daily life of the Webb and Gibbs family. In Act II, the marriage of Emily Webb to George Gibbs and the death of Emily. In Act III, the funeral scene takes place and Emily wanting to go back and re-live her twelfth birthday. But, as she finds out, the past cannot be re-lived. Living people cannot know of true joy or happiness. Truth is to be found only in the future.

THE BEACHCOMBERS DANCE

In the atmosphere of palm trees and tropical huts the 4th annual Beachcombers Dance was held by the Sea Scouts. With everyone dressed in tropical style, they danced to the music of Harold Kay's band which was in a giant pink sea shell. As an added attraction the Jack Cione Studios presented an oriental dance during intermission. Winners of the best costumes were (bottom left) Jim Baylor and Judy Kekar.

"Snow and Ice" was the theme of Camelback's annual Girl's League formal last December. As illustrated in this group of contact prints, everyone seemed to have a good time.

This year Mike Rosen was the congenial master of ceremonies at our many assemblies. He introduced the programs with a few appropriate words, usually managing to slip in one of his ever-popular jokes. One of the most delightful programs was the annual Christmas Assembly, featuring the A Cappella Choir and Santa Claus, who interviewed many faculty members' children.

ASSEMBLIES

Most numerous were the pep assemblies. They featured various skits written, produced, and directed by the students. Perhaps the most humorous one was the rally before the Spar-Reb game as pictured here. Spartan cheers were enthusiastically led by Sandi Reed, the pert and pretty cheerleading captain.

George,
First string next year
(if you think your a tiger)
I'll see you next to me.

SPORTS

Leave it to Dale
it's going to take
a lot of work but
I know you can get on

Best of luck in everything

P.S. it's going to take
a lot of work for me Ed.

George,
Well boy you've got a long road to
hold when you get on that football team.
Remember all the games that we used to

we used to get? Well believe it or

Good luck always

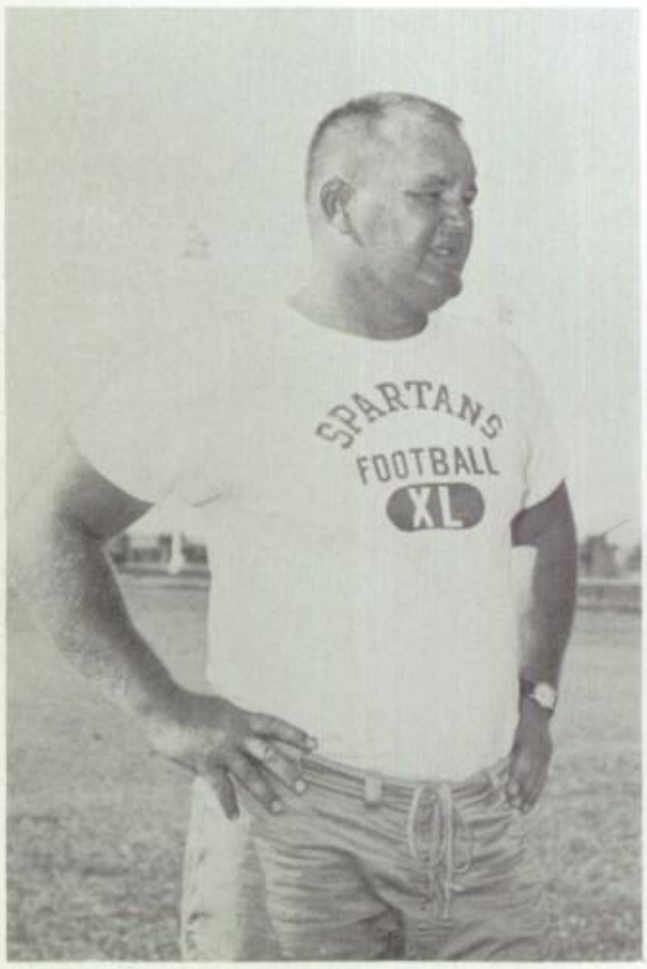
Coach Endres

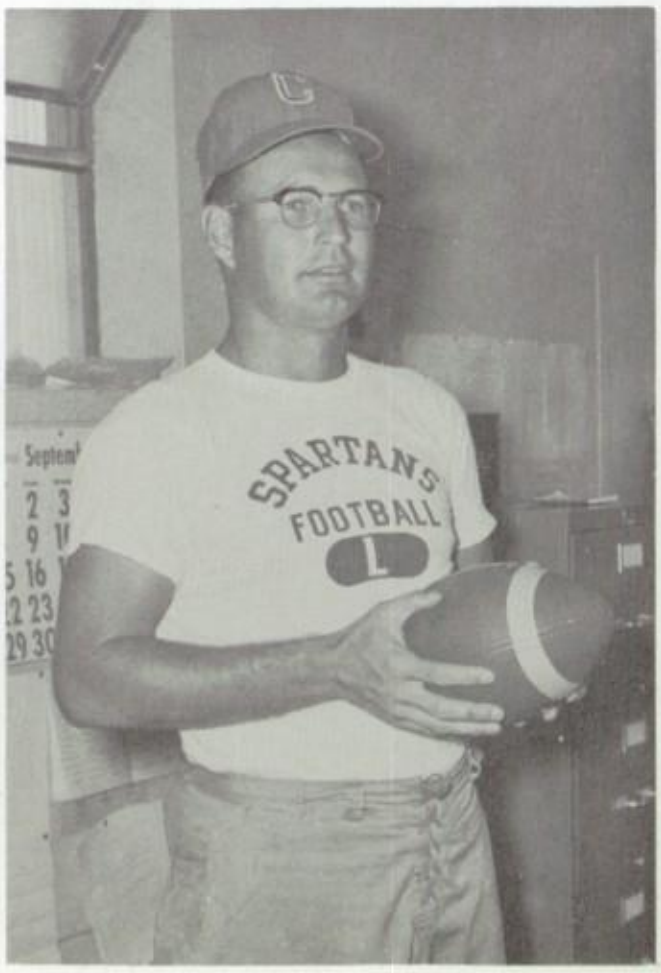
Coach Endres



Even though the varsity boys only won three games, they played their best at all times. They gained high recognition in the newspapers and in the minds of fellow students who followed each game.

A lot of credit goes to the coaches, Endres and Hudson, who did a great job with the Spartan football team. It has been said that one advantage of a below average team is that it has everything to look forward to for the next season.

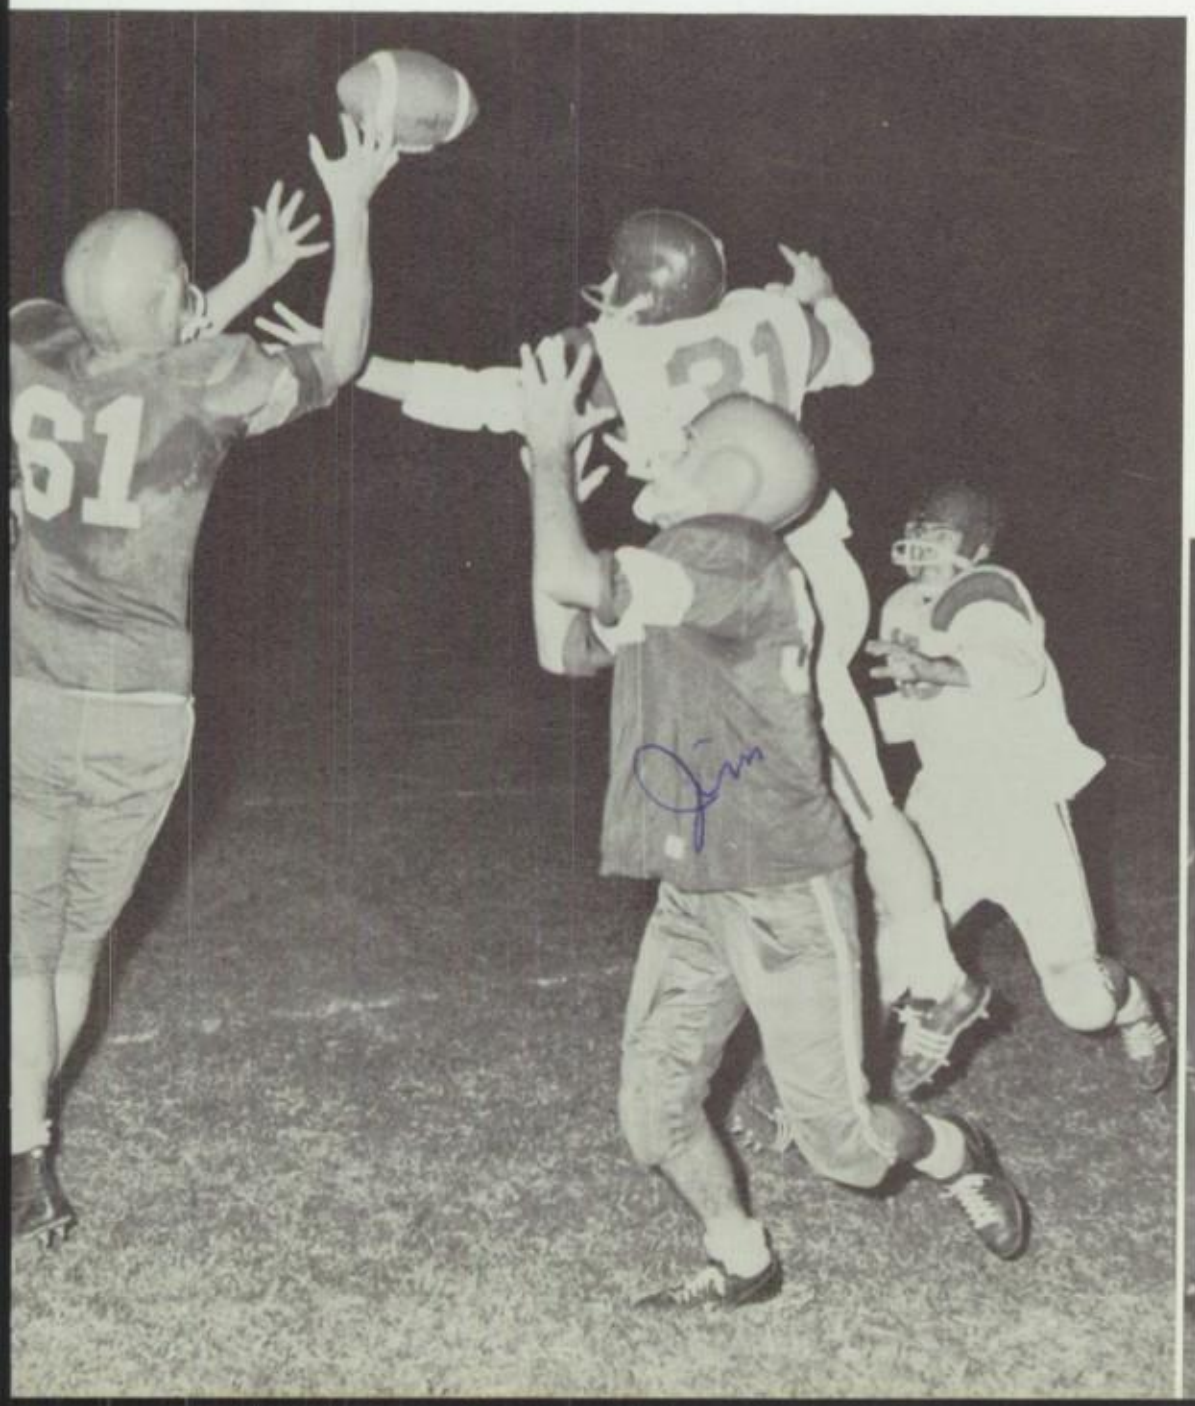
Coach Hudson



Halfback Paul Faulkner is forced out of bounds by determined St. Mary's tacklers. This game became the second of three Spartan victories.

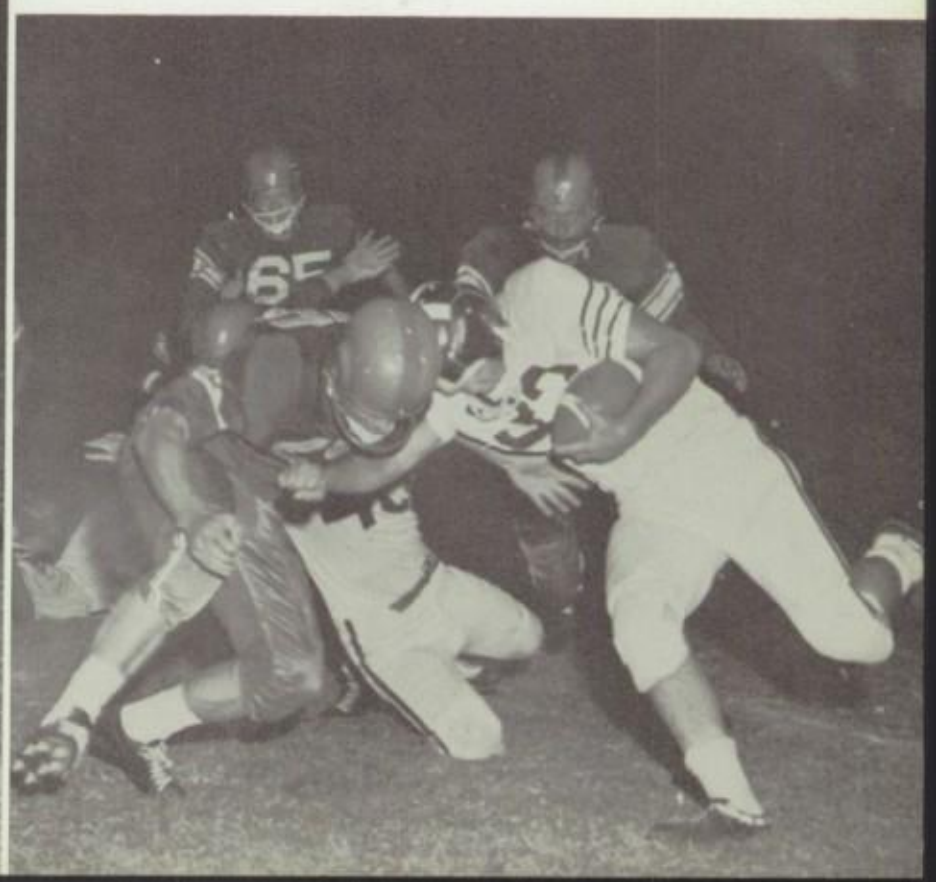
Jim Baylor, after receiving a pass, debates on whether to run over the opposition or to stop right where he is.

FOOTBALL



Russell Glick, in the game against North High, fights for a pass that could have changed the final score to something more to our liking.

Here the camera caught John Power in the act of shattering a Thunderbird's dream of another touchdown. This game ended with a score of 27-7 with West on top.



VARSITY

The 1958 Camelback football season started with a tough loss to West High, the '57 State Champs. West jumped off to a fast start and took an early lead. The Spartans came back strong after the half and got seven points, but the Thunderbirds were too far ahead. The game ended with a score of 27-7.

Our first win of the season came in the second game. The Spartan gridders took an easy 12-0 win from the Washington Rams. The Rams fought back well but were unable to raise a score of their own.

FOOTBALL

The heavy Phoenix Union team took our Spartans for a hard loss. The Coyotes started their fight for goal line territory early in the game and didn't give up until they hit paydirt four times. The Spartans fought hard and held down the Coyote score, but were unable to grind out any touchdowns for themselves. The game ended as a loss to Camelback 28-8.

The Spartans met Scottsdale for the fourth game of the season. The Beavers took a quick lead and held it throughout the first half. Then after the halftime performance, Camelback came through with 7 points. But the heavier and faster opponents took the game with an 18-7 final score.

VARSITY

St. Mary's Knights met us at the West High Stadium only to be beaten by the forever trying Spartans. Our touchdowns were plentiful but St. Mary's didn't seem to have much luck. Even though the small but hard playing Knights advanced often they were never able to carry out their threats. At the end of the game the score read 27-0 in our favor.

North High defeated us by a score of 26-19 in one of our best games of the season. The lead switched back and forth after North started the scoring early in the first quarter. We followed close behind at all times until the fourth quarter when the Mustangs cinched the game with a final touchdown.

FOOTBALL

Our Homecoming Game was again with South High. After the Spar-Reb trophy was presented, both teams fought hard to take it home with them.

The Rebels started the game with a quick lead but our own Spartans followed quickly to tie the score and kept it close throughout the first half. Then the Rebels took over completely and finished the game with a score of 46-14.

In the last game of the season we faced the Central Bobcats at the Phoenix College Stadium. Although the Bobcats played hard they were no match for our more experienced Spartans. Winning this game boosted our win-loss record to 3-6 for the season. The final score was 26 for Camelback and 6 for Central.

Front Row: Burt Chrisman, Doug Smith, Bob Wagner, John Awalt, Bill Baldwin, John Rasmussen, Tom Bates, John Newsom, Mike Bethancourt, Ken Skiff, Bruce Yenerich, Larry Hall. **Middle Row:** Carl Menke, Sam Grova, Paul Amadio, Gilford Awalt, Rod Gastineau, Charles Uhlig, Larry Depue, John Eubank, Bob Gosnell, Mike Emmett, Roger Brooks, Bill Hyder, David Lott, Paul Chapman. **Back Row:** Coach Mann, Ken Kerner, Eric Drake, Ray Hansen, Rod Monte, Art Sandell, Jerry Bryant, Larry Bartlett, Jim Miller, Steve Morgan, Fred Rogers, Scott Englehorn, George Piercey, Bob Martinez, Bob Evans, Coach Jordan.

JAVEE FOOTBALL

The Camelback junior varsity football team started their 1958 season with a 13-0 victory over West High. Then, the following week, they came up with another well earned win over Washington High. With these two wins under their belts they started into their third game only to be beaten by the larger and heavier Phoenix Union team. Next came the 13-32 loss to Scottsdale. The next two games were marked down in the books as victories for Camelback. These games were against St. Mary's and North. The last two games brought the season to a close with losses to Mesa and Central. Coaching this year's squad were Coaches Bill Mann and Leon Jordan.

SEASON SUMMARY

Meeting and defeating Sunnyslope in our own gym became the first win for our Spartans. The Vikings played hard but fell by a margin of 67-46.

The second game became our second victory when the Spartan "five" defeated Mesa by a score of 61-36.

The West High gym was the scene of our third victory of the season. Although the Thunderbirds held the lead through the first half, Camelback took over and, after an exciting second half, won the game by only four points. The final score was 47-43.

When we battled Scottsdale, even though the Beavers had a disadvantage of being shorter, they played a close game. In the final quarter the Spartans widened the gap and defeated them 69-52.

Elated by their victories, Camelback was dealt a hard blow when they met North High's Mustangs in their own gym, and, after a very close game, were defeated by a score of 34-38.

During the Christmas Holidays Camelback entered into the vacation tournaments. They played South Mountain High and were beaten 50-47, then met Phoenix Union and won with a score of 56-54.

After the defeat of the Christmas tournament the Spartans traveled to the Carl Hayden gym and defeated them by 33 points. The final score was 58-25.

Next came the loss to Central High. With the combination of Central's ball handling and Dave Manor's never ending scoring ability they managed to put us under by a score of 57-75.

The next two games ended as overwhelming victories for our Spartans. These games were Tempe, 49-62, and Washington, 35-60. Flagstaff, as usual, played very well and lost by only four points. The final score was 59-55.

Coming back for the second time West High succeeded in beating us. They seemed to have just a few more points than we and ended the game on top, 51-59.

Playing North again seemed to boost our power but we couldn't overcome their scoring height. Even though we went into an overtime they favored us by a score of 42-51.

The Camelback-Amphitheater game proved to be a close and exciting one. The score at the end of the game was: We 54, They 51. Central's comeback didn't reap the rewards that were expected. After a very close first half the Spartans opened the gap and ended the game in the lead. 70-52 was the final score.

The games we played next were marked as victories. The first was against Washington, 75-36, the second was South by a score of 71-55.

Next Flagstaff visited us in our own gym to try again, but were dropped harder than before, 65-33.

Again in our own gym the Spartans met Tucson and defeated them by a score of 67-49.

The Spartans, after playing well and remembering good sportsmanship finished second in the AA tourney and second in the state.

CAMELBACK HAS A QUEEN

Each year the R. O. T. C. unit at Camelback selects a queen and attendants. The fellas usually manage to select the prettiest girls on campus, as was again proven this year by the selection of Sandi Reed as their queen and Colleen Murphy and Pat Miller as her attendants. In these pictures, we see Sandi Reed being presented an award along with the R. O. T. C. unit.

10¢ FEBRUARY 18, 1958★

From more than twenty different Key Clubs, Camelback's was selected to represent American teen-agers in a display of school and community activities. Peter Drake, the Camelback Key Club's president and governor of the southwest district of Key Club International, is featured in the article. Over two thousand pictures were taken depicting Peter as he participated in activities common to teen-agers.

A DISTINGUISHED VISIT AND A FAREWELL PARTY

Early in February, Camelback had the honor and privilege of the presence of Mr. Frank Lloyd Wright on campus. Mr. Wright gave a short, yet stimulating, talk to many of the students. Everyone was very much impressed by Mr. Wright and the statements he made on beauty and culture.

This year Mrs. Osborn, PBX operator, left Camelback. Just before her departure, Mrs. Osborn was honored at a farewell party given by the other faculty members. A good time was had by all. Delicious refreshments were served and lively chatter prevailed.

Mr. Harvey admires Mrs. Osborn's beautiful corsage.

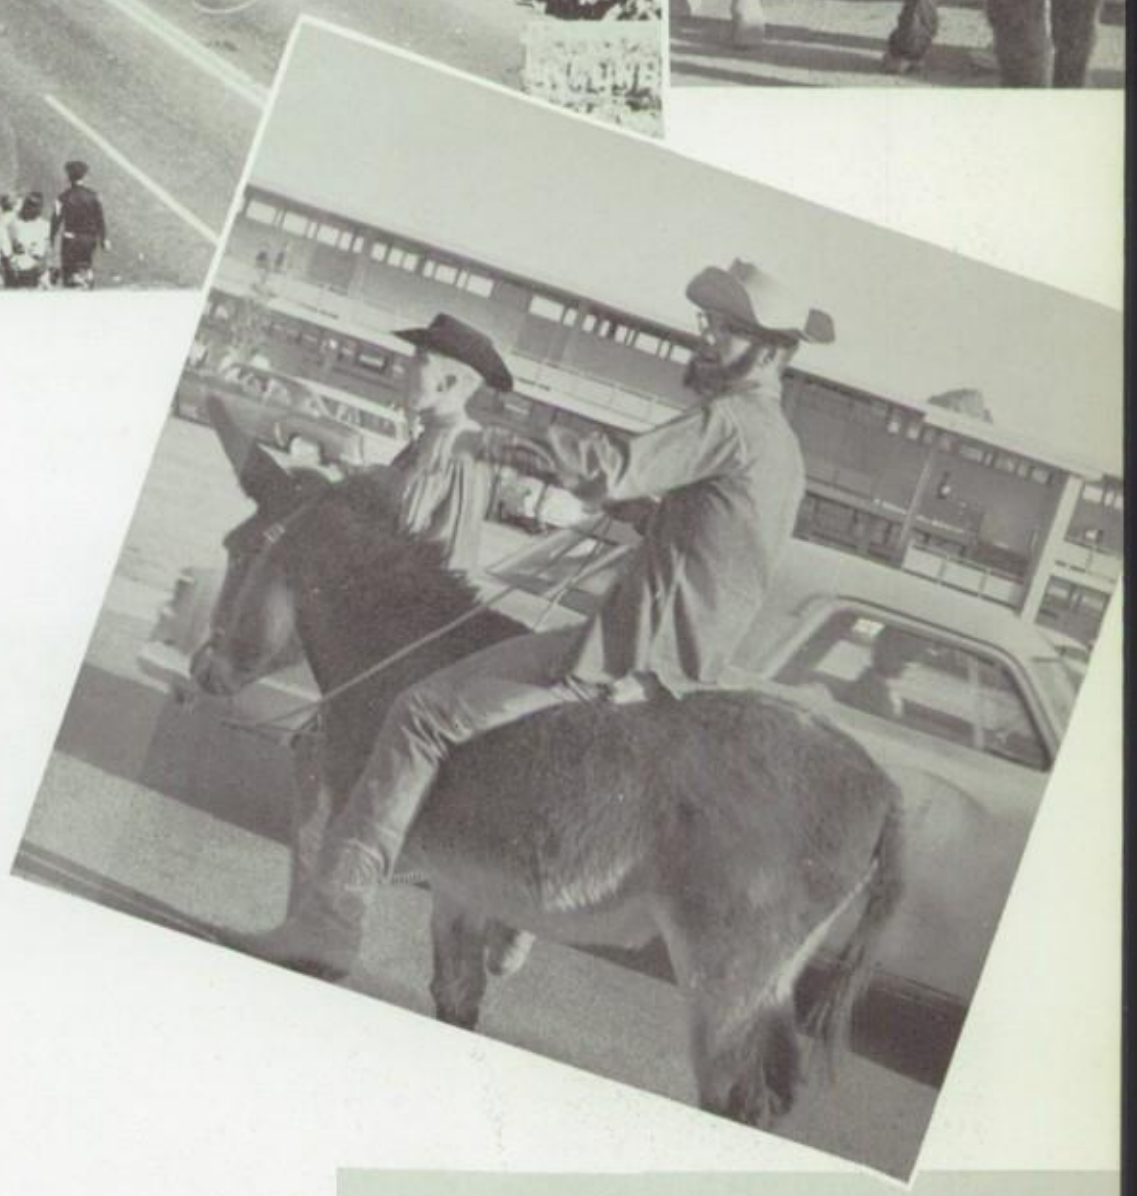
WE HAD LITTLE VISITORS

On February 27, the combined elementary school orchestra played at an assembly in our gym. Orchestras from all the schools in the Camelback district spent the day in rehearsal and on exhibition. Each group performed for the others and as a part of the whole.

Eating in the high school cafeteria and selecting the dishes they wanted was a highlight of the day to many of the grade schoolers.



WE HAVE GAY TIMES WHEN THE RODEO IS AROUND

On Campus as well as at the annual rodeo parade the effects of the annual event are felt by most students at Camelback.

Visitors arrived about 8:30 AM on March 26, which gave everyone the "real" feeling of the rodeo. Beards and "desert canaries" were part of the window dressing. The boys wore guns and levis, fancy vests and gamblers outfits, while the girls wore riders of every color and squaw dresses decorated with braid.
